DESCRIPTION

ADVANCE FOAM SOAP is a liquid hand soap of neutral pH which has been formulated with a combination of mild surfactants, emollients and moisturisers. It provides gentle clean and supports healthy skin. It is ideal for use in all washroom facilities at hotels, restaurants, nursing homes, hospitals and other establishments, in order to maintain an optimum level of personal hygiene.

ADVANCE FOAM SOAP can be dispensed via fixed or mobile foam dispensers.

DIRECTIONS FOR USE

Dispense a small amount of ADVANCE FOAM SOAP onto hands, gently work up a rich lather and rinse with water.

To prevent microbial contamination of the product, close containers immediately after use and do not add or insert any foreign materials or objects.

Consult your Jasol representative for further information.

SAFETY INFORMATION

ADVANCE FOAM SOAP is NOT classified as Hazardous according to the GHS.

ADVANCE FOAM SOAP is NOT classified as Dangerous Goods according to ADG Code (7th Ed).

ADVANCE FOAM SOAP is NOT classified as a Scheduled Poison according to the SUSMP.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre, Australia (Phone 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water. If in eyes, hold eyelids apart and flush the eyes continuously with running water for several minutes until all contaminants are washed out completely. If irritation occurs seek medical attention.
