- Pleasant fragrance

### AREAS OF USE

- Pots & pans
- Crockery & cutlery
- Storage bins
- Floors
- Walls
- Vehicles

### DESCRIPTION

GLYKLEEN 20 is a universal liquid detergent designed for rapid soil removal from any hard surface. It contains no solvents and no phosphates and can safely be used for manual dishwashing, general cleaning, vehicle washing and light degreasing.

### DIRECTIONS FOR USE

**Washing Up:** Use at a 1-2mL/L of water depending on the degree of soiling. Place in sink FIRST.  
**Floor & General Cleaning:** Use at a 10-30mL/L of cold or hot water.  
Apply with a cloth, sponge or a mop. Remove excess water from surface and allow to dry. No rinsing is necessary. For vehicles detergent residues should be hosed off to prevent streaking.

Consult your Jasol representative for further information.

### SAFETY INFORMATION

GLYKLEEN 20 is NOT classified as Hazardous according to the GHS.  
GLYKLEEN 20 is NOT classified as Dangerous Goods according to the ADG Code (7<sup>th</sup> Ed).  
GLYKLEEN 20 is NOT a Scheduled Poison according to the SUSMP.

#### FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre Australia (phone 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek medical attention if irritation persists.
