

MANGO WASH

Mango Desapping Powder

FEATURES

- Concentrated
- Reduces Sapburn, Blemishes & Skin Discolouration
- Biodegradable

DESCRIPTION

Mango Wash is a powder-formula, pre-soak formulated to eliminate any sap which exudes from mango stems, thus reducing sapburn, blemishes and fruit skin discolouration.

DIRECTIONS FOR USE

Dissolve 1kg of Mango Wash in 400L of water to create the washing solution. Soak the fruit 60 seconds in the solution. After washing the fruit in the Mango Wash solution, rinse the fruit with potable water for 30 seconds.

Replace Mango Wash solution and water on a regular basis once it has been used up.

Consult your Jasol representative for further information.

SAFETY INFORMATION

Mango Wash is classified as Hazardous according to the GHS.

Mango Wash is classified as Dangerous Goods according to ADG Code (7th Ed).

Mango Wash is a Scheduled Poison according to the SUSMP.

Avoid contact with eyes and skin. Do not breathe dust. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26) or a doctor at once.** If swallowed do NOT induce vomiting. Wash mouth thoroughly with water and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek medical attention if irritation persists.
