MULTIZYME LS

Drain Cleaner

FEATURES

- Natural product
- Effective odour control

DESCRIPTION

Non-toxic, biodegradable natural product which is used in all types of effluent disposal, cleaning and odour control applications. A specially formulated enzymatic in action blend to help break down and solubilise waste materials while cleaning kitchens, toilets, urinals and floors.

DIRECTIONS FOR USE

Floor & hard surface cleaning: Mop with a solution of 100-200g/L water depending on the degree of soiling or spray onto the surface at a ratio of 1:5 with water.

Drain cleaner: Pour 200mL into drain and leave overnight.

Septic tank booster: Flush 300mL per 1000L septic tank volume down the toilet at the end of the day each week.

Consult your Jasol representative for further technical information.
