DESCRIPTION

REDIC 55 is a super concentrated caustic free alkaline detergent powder. It contains sequestering and wetting agents which provide heavy duty capacity for cleaning the most difficult soils. It is effective against oil, grease, fat, food mineral deposits, blood stains, carbon and many more soils.

REDIC 55 is safe to use on aluminium, copper, iron steel and stainless steel. Its water conditioning properties make it suitable for use in pig processing systems.

DIRECTIONS FOR USE

General Cleaning: Use at 10-20g (½ to ¾ scoop)/L of water

Hot Soak Tank Cleaning: Use at 20-100g (½ to 3¾ scoops)/L of water heated to 70° to 80°C

Pressure / Steam Cleaning: Use at 5-20g (¼ to ½ scoop)/L of water

Food Processing Pipelines: Use at 5-20g (¼ to ½ scoop)/L of water circulated through pipes

General Cleaning: Wet the floor, sprinkle with REDIC 55, agitate with broom, then mop or hose off residues.

Pig Scald Water Treatment: Use at 5-20g (¼ to ½ scoop)/L of water depending on water condition

SAFETY INFORMATION

REDIC 55 is classified as Hazardous according to the GHS.

REDIC 55 is classified as Dangerous Goods according to the ADG Code (7th Ed).

REDIC 55 is classified as a scheduled poison according to the SUSMP.

Avoid contact with skin and eyes. Do not breathe dust. Refer to SDS for further information.

FIRST AID INFORMATION

If poisoning occurs contact a doctor or **Poisons Information Centre Australia, Phone 13 11 26**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
