- Urinals
- Toilet seats

DESCRIPTION

SAFEGUARD is an economical sulphamic acid based urinal and toilet bowl cleaner with antibacterial properties. It acts safely and efficiently in removing scale, uric encrustation, toilet stains and algae growth leaving the surfaces clean, reodorised, with a long lasting fragrance. It contains active biocides which allow for rapid bacterial kill.

DIRECTIONS FOR USE

Direct onto the urinal or toilet bowl paying particular attention to the hard to get areas. Apply sufficient amount so that the liquid runs into the trap or the bottom of the bowl. Allow to act, scrub with a toilet brush if necessary, and flush.

Consult your Jasol representative for further information.

SAFETY INFORMATION

SAFEGUARD is classified as Hazardous according to the GHS.
SAFEGUARD is Dangerous Goods according to the ADG Code (7th Ed).
SAFEGUARD is a Scheduled Poison according to the SUSMP.
Avoid contact with eyes and skin. Refer to SDS for further information.

FIRST AID INFORMATION

If poisoning occurs contact a doctor or **Poisons Information Centre Australia, Phone 13 11 26**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
