- Meets TGA Hospital Grade Disinfectants requirements (AUST L 346550)

AREAS OF USE

- Hospitals
- Nursing homes
- Restaurants
- Cafeterias
- Hotels & motels
- Other public facilities

DESCRIPTION

SUPERSCENT T is a highly perfumed air freshener designed for odour control and disinfection in hospitals, restaurants, schools and general industries. It removes odour causing bacteria and helps achieve a high level of sanitation. SUPERSCENT T replaces unpleasant body, food and sewage odours with a particular fresh and long lasting Tropicana fragrance, creating a very pleasant atmosphere.

DIRECTIONS FOR USE

Air Freshener: Dilute 1:5 (cold water) into trigger bottle and spray.

Hospital Grade Disinfectant: Dilute 1:15. Pre-clean/wipe surface, apply solution, leave for 10 mins then rinse off. Store unused solution for up to 24 hours at room temperature.

Detergent Reodorant: Dilute 1:100 (hot water) for general purpose mopping floors.

Hard surface disinfectant only. Not to be used on skin.

To prevent microbial contamination, close containers immediately after use and do not add or insert any foreign materials or objects.

Consult your Jasol representative for further information.

SAFETY INFORMATION

SUPERSCENT T is classified as Hazardous according to the GHS.

SUPERSCENT T is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).

SUPERSCENT T is NOT a Scheduled Poison according to the SUSMP.

Avoid contact with eyes and skin. Refer to SDS for further details.

FIRST AID INFORMATION

For advice in an emergency, contact a **Poisons Information Centre (Phone Australia 13 11 26 or New Zealand 0800 764 766) or a doctor at once.** If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
