DESCRIPTION

TITAN NO RINSE SANITISER is a highly effective sanitiser that can be used on food contact surfaces. No rinse formula for safe use around the house, kitchens, restaurants, offices and industrial areas. TITAN NO RINSE SANITISER is an ideal sanitiser for areas in which water can not or should not be used. The product is used as supplied providing effective sanitation to pre-cleaned surfaces. It evaporates upon application leaving the surfaces sanitised and free of water.

DIRECTIONS FOR USE

- Turn the spray trigger to “ON” position
- Spray onto the surface being cleaned
- Leave for 5 minutes to air dry
- No rinsing required
- Turn the spray trigger to “OFF” position for storage
- Store upright below 25°C and out of direct sunlight

TITAN NO RINSE SANITISER has a 2 years shelf life.

Safe to use on food contact surfaces. Consult your Jasol representative for further information.
