FEATURES

- Long lasting shine
- Safe on all surfaces
- Pleasant fragrance

AREAS OF USE

- Restaurants
- Cafeterias
- Hotels & motels
- Hospital & nursing homes
- Public facilities
- Domestic use

DESCRIPTION

TOUCH & GLO is a unique spray-on citrus perfumed emulsion, designed to clean, polish and protect fine timber furniture and panelling, laminated plastic, marble and stoved enamelled surfaces. It is also excellent for use on vinyl upholstery, stainless steel and plated surfaces.

Dirt smear and finger-print smudges are quickly removed, and the product buffs up effortlessly to a mellow, long-lasting gloss finish. The specially selected ingredients give TOUCH & GLO superb protective qualities creating a smooth, hard, smear and water resistant surface. It allows the treated surfaces to be more easily dusted and maintained.

DIRECTIONS FOR USE

It is recommended that the spot test be conducted in an inconspicuous area before use.

Spray undiluted directly onto the surface, using an atomiser. Spread polish evenly over entire surface with a soft absorbent cloth. While turning the cloth frequently, lightly buff until gloss finish. Do not rub heavily. For difficult or hard to reach surfaces, pour or spray directly onto cloth.

Consult your Jasol representative for further information.

SAFETY INFORMATION

TOUCH & GLO is NOT classified as Hazardous according to the GHS.

TOUCH & GLO is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).

TOUCH & GLO is NOT a Scheduled Poison according to the SUSMP.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek medical attention if symptoms develop.
