ALCODIS

Alcohol Based No Rinse Sanitiser

FEATURES

- Ready to use
- Isopropanol based
- Contains Quaternary Ammonium compound
- No rinse application
- HALAL approved
- KOSHER approved

AREAS OF USE

- Hard, non-porous food contact surfaces
- Walls, floors & benches
- Food processing equipment
- Cold rooms & refrigerators

DESCRIPTION

ALCODIS is an ideal sanitiser for areas in which water can not or should not be used. The product is used as supplied providing effective sanitation to pre-cleaned surfaces. It evaporates upon application leaving the surface free of water. HALAL accredited.

DIRECTIONS FOR USE

Spray undiluted on hard surfaces, such as benches, equipment and walls. Ensure the surfaces are thoroughly drained and any product residues are removed from the surface before contact with food products, if ALCODIS is used as a no rinse sanitiser.

Consult your Jasol representative for further information.

SAFETY INFORMATION

ALCODIS is classified as Hazardous according to the GHS.

ALCODIS is classified as Dangerous Goods according to the ADG Code (7th Ed).

ALCODIS is NOT a Scheduled Poison according to the SUSMP.

Avoid contact with eyes. Do not breathe vapour. Keep away from heat, sparks, open flames, hot surfaces. No smoking. Refer to SDS for further information.

FIRST AID INFORMATION
