- Strong residual effect
- Free rinsing properties
- Excellent soil removal
- Phosphate free

### AREAS OF USE

- Restaurants
- Cafeterias
- Hospitals
- Nursing homes
- Hotels & motels
- Schools
- Other public facilities

### DESCRIPTION

TECWAH PLUS is an alkaline, concentrated liquid detergent formulated for use in commercial Dishwash Machines via an automatic chemical dispenser (either inbuilt or external chemical dispenser). TECWAH PLUS combines good soil removal with low foaming and free rinsing characteristics. Special properties help prevent scale build up in hard water areas. For better rinsing results use in conjunction with Jasol's SPOT AID – a rinse additive for use in commercial Dishwash Machines.

### DIRECTIONS FOR USE

Simply place a drum near machine and connect the input hose. Switch on machine and allow feeder to bring the level of wash to correct detergent concentration. **Dosage:** Dishwashing machines - 2-6ml/L of water (60-80°C). Rinse product contacting surfaces with potable water after use.

Consult your Jasol representative for further information.

### SAFETY INFORMATION

TECWAH PLUS is classified as Hazardous according to the GHS.  
 TECWAH PLUS is classified as Dangerous Goods according to ADG Code (7<sup>th</sup> Ed).  
 TECWASH PLUS is a Scheduled Poison according to SUSMP.  
 Avoid contact with eyes and skin. Refer to SDS for further information.

#### FIRST AID INFORMATION

If poisoning occurs contact a doctor or **Poisons Information Centre Australia, Phone 13 11 26**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
