

# Sandpit Cleaning with Jasol's EC2 NO RINSE SANITISER

## Step 1

Gather your PPE and cleaning equipment.

## Step 2

Using the bucket fill dilution controlled chemical dispenser fill the watering can with EC2.

## Step 3

Remove all toys and objects from sand pit.

## Step 4

Rake the sand pit in different directions and remove any other foreign matter.

## Step 5

From the watering can apply the EC2 solution into the sand pit and let dry before play.
