- Rapid soil suspension and removal
- Hard water compatible
- Brightening effect
- Free rinsing properties
- Cost effective

### AREAS OF USE

- Commercial laundries
- Hotels & motels
- Aged care facilities
- Hospitals
- Domestic use

### DESCRIPTION

POWERCLEAN is a perfumed, free flowing white laundry powder formulated with a combination of alkali builders, water conditioners, emulsifiers, optical brighteners and soil suspending agents. With a high level of wetting capacity, POWERCLEAN is ideal for removal of normal, fat and grease soils. POWERCLEAN can be used in both high and low temperature conditions and as such is ideal for the Hospitality Industry.

### DIRECTIONS FOR USE

POWERCLEAN may be used as a one shot laundry detergent or in conjunction with the appropriate Jasol bleach. Use at a rate of 6-10g/kg of dry weight linen depending on the degree of soiling.

Consult your Jasol representative for advice about wash dosages for various laundry classifications to suit individual machines.

### SAFETY INFORMATION

POWERCLEAN is classified as Hazardous according to the GHS.

POWERCLEAN is classified as Dangerous Goods according to the ADG Code (7<sup>th</sup> Ed).

POWERCLEAN is a Scheduled Poison according to the SUSMP.

Avoid contact with eyes and skin. Do not breathe dust. Refer to SDS for further information.

#### FIRST AID INFORMATION

If poisoning occurs contact a doctor or **Poisons Information Centre Australia, Phone 13 11 26**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
